

**Still Good to Eat
Community
Shop
Open Thursdays**

**NOW AT
ST ANDREW'S CHURCH, GREAT
CORNARD**

- Open every Thursday morning 10-12
- Providing food still good to eat for all and helping the environment
- A community shop open to all, no referral needed
- Reducing food mileage
- First shop will require a **£5** donation to include a bag so that every shopper has the same opportunity as the next, a minimum donation of **£2** thereafter.
- Or bring your own and we will provide our bag for your shop and you can transfer your shopping.
- Your donation will help the running of the shop and secure its future

Our aim is to reduce food waste through redistribution of fresh food otherwise left unsold and destined for landfill, providing help with the struggle of the ever rising cost of living.

We are currently looking for volunteers from within the community to help with the running of the project, for further information please contact Judith, Chris or Rowland at:

stillgoodtoeat@standrews-gc.org.uk

**A partnership Between St Andrews Church and Cllr Judith Wilson supported by CC/
DC Peter Beer and the Great Cornard Townlands Charity**
